

Simplified insurance for wherever life takes your customers

Insurance is frustrating. Requirements vary by state and it can be confusing to navigate. VIU by HUB makes it easy for your customers to shop, buy and manage their insurance policies, from major nationwide and local insurance companies all in one place. They can have their coverage in place on day one in their new city.

What your customers will get from VIU:

Control of their journey

Customers can engage with VIU by HUB how and when they want in an omni-channel experience, giving them peace of mind and seamless quoting that minimizes the need for manual research. Our transparent options and relevant coverage details ensure they are adequately protected.

One place for everything

VIU by HUB's secure platform makes it fast and simple for your customers. They have the freedom to quote, compare and buy coverage that fits their life, all within a digital wallet that keeps their policies in one secure place regardless of carrier or source, providing a clear, single view of protection.

Insurance that evolves with their life

VIU by HUB is constantly monitoring insurance carriers and options to ensure that customers have the best coverage. Customers enter their information once and the VIU by HUB Advisory Team will ensure they're always getting the right insurance at the right price – at first purchase and annual renewal.
