

Partnership Education Guide

WELCOME TO VIU BY HUB

A fresh perspective on insurance

Overview

Welcome to the VIU by HUB Partnership Education Guide, a resource that will assist you in making it easier for your customers to get insurance that’s right for them. This guide will share more about your new insurance brokerage partner and how we deliver a fresh perspective on insurance to your customers. Next, we’ll explain the benefits you’ll receive from partnering together and how, together, we can guide your customers to getting a new policy with VIU. **Keep this guide close by when you need answers. We look forward to teaming up.**

The journey begins

Now for the best part. Getting your customers started on the right path to the right insurance for them takes a little nurturing, but that's exactly what this section is for.

Think of it as a tool you'll refer to when highlighting VIU by HUB's key benefits, talking points and prepared emails you can draw from when responding to their questions. You can instantly provide answers, insight and a complete understanding why VIU is a great option for them. **Let's get started.**

How to discuss VIU by HUB with your customers

DESCRIPTION

The simplest expression of what VIU is:

An intelligent digital platform that helps your customer find and manage the right insurance. We offer them seamless quoting with choice, carrier neutrality and credibility.

POSITIONING

Relationship to the market and competitors:

A quick, easy, customizable way to find the insurance that's right for your customer as their life evolves.

DIFFERENTIATOR

What VIU has that no one else can offer:

Our expertise is built into one platform and provides a digital wallet that keeps customers' policies in one secure place. Even after binding a policy, the VIU by HUB Advisory Team works with customers to ensure they have the right policies as their lives evolve.

VALUE PROPOSITION

The value that customers experience:

A fresh perspective on which insurance is perfect for your customer throughout their lifetime.

TALKING POINTS

They have questions. You have answers.

Before, during and after your customers receive a quote, we have you covered with a few key talking points and our messaging pillars to help with clarity along their journey.

WHAT TALKING POINTS COULD I USE WHEN GUIDING MY CUSTOMER THROUGH THE QUOTING PROCESS?

How do you work with VIU by HUB?

VIU by HUB works as our trusted insurance partner to seamlessly provide you top insurance quotes and ensure you are properly covered.

Which insurance companies will VIU by HUB provide?

VIU works with 50+ A-rated carriers to help customers secure insurance for a wide range of needs, from home to auto, to pet and life insurance.

How do I keep track of all my policies?

VIU's innovative digital wallet lets you view your home and auto policies – with VIU and those directly with carriers – all in one place.

Can I continue to connect with advisors as life changes?

Customers receive ongoing advice and proactive renewal experiences across their lifetimes.

LEVERAGE KEY MESSAGING PILLARS AS APPROPRIATE:

Proactive advice

The VIU by HUB Advisory Team supports our customers even after they've purchased coverage, offering proactive advice that anticipates their needs, keeping them protected today and tomorrow.

One place for everything

VIU's secure digital wallet makes it fast and simple for your customers to consolidate and access their policies anytime, anywhere – even if they're with different insurance carriers.

Insurance that evolves

Insurance needs to evolve as your customer's life changes. With VIU, customers enter their information once and our advisory team makes sure they're always getting the right insurance – the first time, and every time thereafter.

Control of their journey

With VIU, customers are in control of their experience. They're able to customize their personal details to find the coverage they need, ensuring they have full clarity into their policies. Our advisors are always just a phone call away.
